NOTES:

1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the circular no. 14/2020 dated 08th April, 2020, circular no. 17/2020 dated 13th April, 2020 issued by the Ministry of Corporate Affairs followed by circular no. 20/2020 dated 05th May, 2020, physical attendance of the members to the AGM venue is not required and annual general meeting (AGM) be held through video conferencing (VC) or other audio visual means (OAVM). Hence members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of the Companies Act, 2013, a Member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Annual General Meeting and hence the Proxy Form and Attendance Slip are not annexed to the Notice.
3. Institutional/Corporate Shareholders (i.e. other than individuals/HUF, NRI, etc) are required to send a scanned copy (PDF/JPEG Format) of its Board Resolution or governing body Resolution/ Authorisation etc., authorising its representative to attend the Annual General Meeting through VC/OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through their registered email address to dgbhimani@yahoo.co.in with copies marked to the Company at adarshplantprotect@gmail.com and to its RTA at ahmedabad@linkintime.co.in
4. Registration of email ID and Bank Account details: In case the shareholder's email ID is already registered with the Company/its Registrar & Share Transfer Agent "RTA"/Depositories, log in details for e-voting are being sent on the registered email address.
   In case the shareholder has not registered his/her/their email address with the Company/its RTA/ Depositories the following instructions to be followed:
   (i) Kindly click/copy this link https://linkintime.co.in/EmailReg/Email_Register.html and select our Company's name fill the mandatory details and update email Id and bank details in the given field. OR
   (ii) Shares held in Demat mode: The shareholder can contact the Depository Participant ("DP") and register the email address and bank account details in the demat account as per the process followed and advised by the DP or by clicking above given link to update their details
5. The Notice of the Annual General Meeting along with the Annual Report for the financial year 2019-20 is being sent only by electronic mode to those Members whose email addresses are registered with the Company/Depositories in accordance with the aforesaid MCA Circulars and circular issued by SEBI dated May 12, 2020. Members may note that the Notice of Annual General Meeting and Annual Report for the financial year 2019-20 will also be available on the Company's website www.adarshplant.com; websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. Members can attend and participate in the Annual General Meeting through VC/OAVM facility only.
6. Members attending the meeting through VC/OAVM shall be counted for the purposes of reckoning the quorum under Section 103 of the Companies Act, 2013.
7. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. 21st September, 2020. Members seeking to inspect such documents can send an email to adarshplantprotect@gmail.com.
8. To prevent fraudulent transactions, members are advised to exercise due diligence and notify any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
9. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts.
10. SEBI has also mandated that for registration of transfer of securities, the transferee(s) as well as transferor(s) shall furnish a copy of their PAN card to the Company for registration of transfer of securities.
11. The relevant information of the Director seeking re-appointment, as required under Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with the revised Secretarial Standard-2 on General Meetings, is provided in the Annexure.
12. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

AUDITORS AND AUDITOR'S REPORT

a. Statutory Auditor:

The Shareholders in the 26th AGM of the Company had appointed M/s. C. S. Trivedi & Co, Chartered Accountants (ICAI Firm Registration No. 111046W), as the Statutory Auditors for a tenure of 4 years from conclusion of the Annual General Meeting held on 08th September, 2018. Their appointment has been ratified by the Shareholders every year. Their tenure as the Statutory Auditors is ending on the conclusion of the 30th AGM however due to age factor and unstable health condition they had resigned from the post of Statutory Auditors of the Company w.e.f. 01st August, 2020. Therefore Company has approached M/s. Rajani Shah & Co., Chartered Accountants (Firm Registration No. 121126W) to appoint them as Statutory Auditors of the Company. They have informed the Company that they are eligible as per Section 141 of the Companies Act, 2013 and willing to act as Statutory Auditors of the Company if appointed by the Shareholders at the forthcoming Annual General Meeting. As required under Regulation 33(1)(d) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Auditors have also confirmed that they hold a valid certificate issued by the Peer Review Board of the Institute of Chartered Accountants of India to hold the office as Auditors of the Company.

Necessary resolution for appointment of the said Auditors is included in the Notice of AGM for seeking approval of members.

MATERIAL CHANGES AND COMMITMENT AFFECTING THE FINANCIAL POSITION OF THE COMPANY

The COVID-19 crisis has caused a slowdown to the whole World's and Nation's industry, and we are not immune to it. The pandemic has directly affected both the demand and supply side, which has created a severe impact for the overall economy. There is no denying that this situation will have a negative impact on liquidity and would likely to put downward pressure on the Industrial sector as a whole. Since the market will take its course of time to evolve from the setback, we have re-evaluated and accelerated certain plans to bounce back.

Our business practices and strong enterprise risk management framework (ERM) has helped in dealing with such an unprecedented crisis. Our approach has been to respond and not react to critical situations. In these testing times, focusing on business continuity plans, adopting "new ways of doing business" and to the "new normal" have been our priority along with nurturing relationship with our stakeholders by supporting them.

The challenges posed by COVID-19 led to closing our plant operations as per Government of India's directives and thus impacting production. We utilized this opportunity to prepare ourselves to respond to the post COVID-19 reality by focusing on readiness to jumpstart operations by implementing social distancing at manufacturing plants and Office with cautious optimism. Now, the Company has resumed its manufacturing plants. The Company has prepared a well-chalked out plan to deal with this crisis situation and is putting in place a comprehensive action plan across its various functions in order to face the challenges.

The demand for Company's product was temporary decreased but now on improvement side. We have seen down fall in other sectors as well. Slowly and gradually economy is improving but it takes more time to get back to the normal.

There is no material impact on business in the year 2019-20 of COVID-19 but business got affected in 1st and 2nd quarter of the following year.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Development

India has emerged as the fastest growing major economy in the world. Accelerating government reforms are expected to bring about a better investment environment leading to growth in the coming years. Steel is a global commodity, and that means the price of steel varies on a daily basis. Prices can be influenced by hundreds of factors including Natural disasters, the strength of the American dollar, the general condition of the world economy, etc. Steel prices have climbed on the back of rising demand and capacity cuts in China, coupled with a spate of anti-dumping measures that knocked Chinese steel exports.

Agricultural Sector is experiencing structural changes which are opening up new challenges and opportunities. Government has also launched various schemes to help the framers and agricultural sector. With all these efforts the agricultural sector will surely rise to new heights.

Opportunities and Threats

Your Company is mainly dependent on steel for its production for two of its segment i,e, Barrels and cook stove. Your Company is making utmost effort to procure steel at a reasonable rate and producing the goods with high quality and delivering them at a competitive market rate. But the volatile steel market remains a concern, because of which the profits get hampered. Your Company operates in such an

area where a large market exists but with huge competition. However, your Company is striving to achieve the highest position in market by delivering quality goods.

Agriculture sector mainly depends on weather. Farmer will spend on modern machinery only if they earn their living and profit, but due to bad monsoon and non-seasonal rainfall, there is less development of agricultural sector which in turn declines the agricultural equipment market. Government has launched various schemes for the betterment of agricultural sector and the farmers, which has boosted Company's chances of sale of Agricultural equipments.

Government is taking lot of efforts through its scheme to supply LPG cylinders to poor people, still there is a very large market remains who cannot afford to buy these cylinders but Company with its aggressive marketing strategy trying to capture this market and help in reducing global warming.

Segment wise performance

Your Company mainly works in three segments. One is Agricultural Equipment other one is Barrel and third one is Cook Stove segment. This year in spite of depending upon government policy and tenders your Company focused upon retail and spreading everywhere through dealers and work directly with the end users of this products and this new idea worked well and sales of it has shown reasonable increase. This year barrel segment too showed rise and sales of barrels has increased this year as compared to last year. There is also demand of micron coated barrels and to sale this type of barrels Company manufacturing it at Unit-2 of Adarsh Plant Protect Limited where such coating process shall take place.

Your Company is also growing in Cook Stove segment slowly and sales of it also shown hike as compared to last year.

Outlook, risks and concerns

Outlook

During the Financial Year, in spite of unfavorable circumstances, such as unstable steel prices, supply of raw materials, government policies etc. the Company has tried to overcome from loss and earn profit of Rs. 1.29 lakhs compare to last year.

The Company's barrels are well received in the market and have gained a good popularity.

Less Government tenders were floated during the year and on the top of it in the last month of the year COVID-19 pandemic outbreaks. Efforts are on to increase sales of agricultural equipment and cook stove by adopting new marketing strategies and tapping the unexplored markets for these products.

Risks and Concerns:

1. Availability of raw materials, particularly steel
2. Price of raw materials may be subject to material changes in worldwide pricing levels,
3. Overhead cost such freight, electricity and labour may be inconsistent or prices may increase.
4. Regulatory or political changes and their policies.

However, the Company plans to procure the raw materials and reduce the overhead cost so as to maximize profit. Your Directors are now rigorously looking for measures to pursue all available infrastructural, manufacturing and financial resources to the fullest extent and in the best interest of the Shareholders of the Company.

Internal control systems and their adequacy

The Company has adequate internal control systems commensurate with its size. Internal Auditors of the Company is entrusted the work of reviewing adequacy of internal control system and frequency of Audit compliance with the existing Accounting Standards. The duty of the Internal Auditors is to report to the Board of Directors and Audit Committee and place its report at every Audit Committee Meeting and also remain present to interact with Board and Audit Committee for any suggestion of improvement in the Internal Control / Audit Systems and steps to be taken thereon to improve the internal control system. Also from this year our Statutory Auditors scope also have expanded to Internal Financial Control and report on it forms part of this report.

Financial Performance with respect to Operational Performance

Share Capital: Share Capital of the Company is Rs. 9,91,15,000 divided in 9911500 shares of Rs. 10/- each.

Net Worth: Net Worth of the Company is 50.85 lakhs

Secured Loan: Secured Loan taken is Rs. 187.29 Lakhs.

Total Income: Total income this year is Rs. 1274.40 Lakhs as compared to Rs. 1036.88 Lakhs Last year.

Other Income: Other income this year is Rs. 4.77 Lakhs as compared to Rs. 2.68 Lakhs Last year.

Tax liability

Though Profit this year but your Company was in loss since last many years, your Company was not falling in to liability to pay taxes and this year too as there is large amount of carried forwarded losses your Company is not liable to pay any tax.

Material development in Human Resources

There has not been any major material development in the year under review than those reported last year except that the Company has appointed Company Secretary for looking after Compliance of BSE Ltd and MCA and qualified Engineers to improve upon the quality of the Products and follow up After Sales Service to the Customers.

Disclosure of Accounting Treatment

Pursuant to the notification, issued by the Ministry of Corporate Affairs dated February 16, 2015 relating to the Companies (Indian Accounting Standard) Rules, 2015, The Company adopted Indian Accounting Standards (Ind AS) from 1st April, 2017 with the comparatives for the periods commencing from 1st April, 2016.

Cautionary Statement

The report of the Board of Directors, Management Discussions and Analysis Report are forward looking and affirmative statements within the meaning of the applicable securities and regulations. The actual performance in the coming years could differ from what is expressed or implied. The factors that could affect the Company's performance are the economic and other factors that affect the demand–supply balance in the domestic market, changes in governmental regulations, policies, and tax laws and other statues and host of other incidental factors.

INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF ADARSH PLANT PROTECT LIMITED

1. OPINION

We have audited the Separate IND AS financial statements (also known as Standalone IND AS Financial Statements) of ADARSH PLANT PROTECT LIMITED("the Company"), which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss (including other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone IND AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, and amended and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March, 2020, and its profit(financial performance including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

2. BASIS FOR OPINION

We conducted our audit of the standalone IND AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone IND AS financial statements.

3. KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matters	Our Response
1	Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers" (new revenue accounting standard). The application of the new revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, effect of variable considerations and the appropriateness of the basis used to recognise revenue at a point in time or over a period of time	**Principal Audit Procedures** We assessed the Company's process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows: i. Evaluated the design of internal controls relating to implementation of the new revenue accounting standard. ii. Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, re-performance and inspection of evidence in respect of operation of these controls. iii. Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard. Our procedures did not identify any material exceptions.
2	**Defined benefit obligation** The valuation of the retirement benefit schemes in the Company is determined with reference to various actuarial assumptions including discount rate, future salary increases, rate of inflation, mortality rates and attrition rates. Due to the size of these schemes, small changes in these assumptions can have a material impact on the estimated defined benefit obligation	We have examined the key controls over the process involving member data, formulation of assumptions and the financial reporting process in arriving at the provision for retirement benefits. We tested the controls for determining the actuarial assumptions and the approval of those assumptions by senior management. We found these key controls were designed, implemented and operated effectively, and therefore determined that we could place reliance on these key controls for the purposes of our audit. We tested the employee data used in calculating the obligation and where material,. From the evidence obtained, we found the data and assumptions used by management in the actuarial valuations for retirement benefit obligations to be appropriate.

4. Information Other than the Standalone IND AS financial statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Report on Corporate Governance, but does not include the Standalone IND AS financial statements and our auditor's report thereon.

Our opinion on the Standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone IND AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone IND AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone IND AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone IND AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibility for the audit of the Standalone financial statements

A. Our objectives are to obtain reasonable assurance about whether the Standalone IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance,but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone IND AS financial statements.

B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

i) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls

iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management

iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern

v) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

C. Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

i) Planning the scope of our audit work and in evaluating the results of our work; and

ii) To evaluate the effect of any identified misstatements in the Standalone Financial Statements.

D. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

F. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

A further description of our responsibilities for the audit of the financial statements is included in appendix A of this auditor's report

7. REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

7.1 As required by the Companies (Auditor's Report) Order, 2016("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure A" - a statement on the matters specified in paragraphs 3 and 4 of the Order.

7.2 As required by Section 143 (3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid standalone IND AS financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act. read with Rule 7 of the Companies (Accounts) Rules,2014

e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section197(16) of the Act, as amended. Remuneration is not paid by the company to its directors

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies(Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has no pending litigations having impact on its financial position in its Standalone IND AS financial statements;

ii. The Company has no long-term contracts including derivative contracts requiring any provision for any foreseeable losses;

iii. The company is not required to transfer any amount to Investors' Education and Protection Fund

APPENDIX A- AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

AS PART OF AN AUDIT IN ACCORDANCE WITH SAS, WE EXERCISE PROFESSIONAL JUDGEMENT AND MAINTAIN PROFESSIONAL SCEPTICISM THROUGHOUT THE AUDIT. WE ALSO:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion, The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

"ANNEXURE B" TO THE INDEPENDENT AUDITORS' REPORT

OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF ADARSH PLANT PROTECT LTD.

1. REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ADARSH PLANT PROTECT LIMITED("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

2. MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

3. AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by Institute of Chartered accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

4. MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

5. INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH 2020

Note 1 : Significant Accounting Policies

A General Information

Established in 1992, Adarsh Plant Protect Ltd. (APPL) is based in western part of India, specializes in design and manufacturing of Sprayer Pumps, Seed Dressing Drums, MS/GI Barrels, and Biomass Clean Cook Stoves. APPL caters to requirement of Agriculture.

B Basis of preparation of Financial Statements

The principal accounting policies applied in the preparation of these Financial Statements are set out below. These policies have been consistently applied to all the financial years presented, unless otherwise stated. (Refer Note:- D for the details of first-time adoption exemptions availed by the Company).

i Statement of Compliance

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from 1st April, 2016.

The Standalone Financial Statements have been prepared in accordance with Ind AS as prescribed under Section 133 of the Companies Act, 2013 ('the Act') the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

ii Basis of preparation and presentation

The Financial Statements have been prepared on historical cost basis considering the applicable provisions of Companies Act 2013 except the following material items that have been measured at fair value as required by relevant Ind AS. Nevertheless, historical cost is generally based at the fair value of the consideration given in exchange for goods and services.

a) Certain financial assets/liabilities measured at fair value (refer Note No. 24 for fair value of financial instruments) and

b) Any other item as specifically stated in accounting policy.

The Financial Statement are presented in Indian Rupee ('INR').Previous year figures have been regrouped and reclassified to make them comparable

The company reclassifies comparative amounts, unless impracticable and whenever the company changes the presentation or classification of items in its financial statements materially. Such changes are disclosed in notes to the financial statement. Borrowings (loans/ deposits from directors) is reclassified as current liabilities under note 10 which was classified as non-current in P.Y.

The financial statements of the Company for the year ended 31st March, 2020 were authorised for issue in accordance with a resolution of the directors on Dated 08th August, 2020

(iii) Use of Estimate and judgment

In the application of accounting policy which are described in note (C) below, the management is required to make judgment, estimates and assumptions about the carrying amount of assets and liabilities, income and expenses, contingent liabilities and the accompanying disclosures that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant and are prudent and reasonable. Actual results may differ from those estimates. The estimates and underlying assumptions are reviewed on ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future period. The few critical estimations and judgments made in applying accounting policies are:

Property, Plant and Equipment: Useful life of Property Plant and Equipment and Intangible Assets are as specified in Schedule II to the Companies Act, 2013 and on certain intangible assets based on technical advice which considered the nature of the asset, the usage of the asset and anticipated technological changes.

Impairment of Financial Assets: The company impairs financial assets other than those measured at fair value through profit or loss or designated at fair value through other comprehensive income on expected credit losses. The estimation of expected credit loss includes the estimation of probability of default (PD), loss given default (LGD) and the exposure at default (EAD). Estimation of probability of default apart from involving trend analysis of past delinquency rates include an estimation on forward-looking information relating to not only the counterparty but also relating to the industry and the economy as a whole. The probability of default is estimated for the entire life of the contract by estimating the cash flows that are likely to be received in default scenario. The lifetime PD is reduced to 12 month PD based on an assessment of past history of default cases in 12 months. Further, the loss given default is calculated based on an estimate of the value of the security recoverable as on the reporting date. The exposure at default is the amount outstanding at the balance sheet date.

Defined Benefit Plans: The cost of the defined benefit plan and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Fair Value Measurement of Financial Instruments: When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

C Summary of Significant Accounting Policies

Property, Plant And Equipment

For transition to Ind AS, the Company has elected to continue with the carrying value of Property, Plant and Equipment ('PPE') recognised as of 1st April, 2016 (transition date) measured as per the Previous GAAP and use that carrying value as its deemed cost of the PPE as on the transition date.

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes purchase price (after deducting trade discount / rebate), non-refundable duties and taxes, cost of replacing the component parts, borrowing costs and other directly attributable cost to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Spare parts procured along with the Plant And Equipment or subsequently having value of Rs. 50,000 or more individually which meets the recognition criteria of PPE are capitalized and added to the carrying amount of such items. The carrying amount of those spare parts that are replaced are derecognized when no future economic benefits are expected from their use or upon disposal. If the cost of the replaced part is not available, the estimated cost of similar new parts is used as an indication of what the cost of the existing part was when the item was acquired.

An item of PPE is derecognised on disposal or when no future economic benefits are expected from use. Any profit or loss arising on the derecognition of an item of property, plant and equipment is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

The depreciable amount of an asset is determined after deducting its residual value. Where the residual value of an asset increases to an amount equal to or greater than the asset's carrying amount, no depreciation charge is recognised till the asset's residual value decreases below the asset's carrying amount. Depreciation of an asset begins when it is available for use, i.e., when it is in the location and condition necessary for it to be capable of operating in the intended manner. Depreciation of an asset ceases at the earlier of the date that the asset is classified as held for sale in accordance with IND AS 105 and the date that the asset is derecognised.

Description of the Asset	Estimated Useful Life
Tangible:	
Building – Factory	30 Years
Plant and Equipment	5-20 Years
Furniture and Fixtures	10 Years
Computers And Server	3 Years
Office Equipment	5 Years
Other Assets, viz., A.C. And Ele. Installations	5-10 Years
Vehicles	8-10 Years
Intangible:	
Software	5 Years

Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Software (not being an integral part of the related hardware) acquired for internal use are treated as intangible assets.

An item of Intangible asset is derecognised on disposal or when no future economic benefits are expected from its use or disposal. Any profit or loss arising from derecognition of an intangible asset is determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss.

Impairment of tangible and intangible assets other than goodwill

At the end of each reporting period, the Company reviews the carrying amounts of its PPE and other intangible assets to determine whether there is any indication that these assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit ('CGU') to which the asset belongs. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit and Loss.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less cost to sell, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Where an impairment loss subsequently reverses, the carrying amount of the asset or CGU is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset or CGU in prior years. A reversal of an impairment loss is recognised in the Statement of Profit and Loss.

Foreign Currency Transactions

The financial statements of Company are presented in INR, which is also the functional currency. In preparing the financial statements, transactions in currencies other than the entity's functional currency are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at that date. Non-monetary items denominated in foreign currency are reported at the exchange rate ruling on the date of transaction.

Exchange differences on monetary items are recognised in the Statement of Profit And Loss in the period in which they arise.

Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components and stores and spares is determined on a first in first out (FIFO) method.

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.

Goods include materials, duties and taxes (other than those subsequently recoverable from tax authorities) labour cost and other related overheads incurred in bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

The amount of any write-down of inventories to NRV and all abnormal losses of inventories are recognized as expense in the Statement of Profit And Loss in the period in which such write-down or loss occurs. The amount of any reversal of the write-down of inventories arising from increase in the NRV is recognized as a reduction from the amount of inventories recognized as an expense in the period in which reversal occurs.

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of asset and liability if market participants would take those into consideration. Fair value for measurement and / or disclosure purposes in these Financial Statements is determined in such basis except for transactions in the scope of Ind AS 2, 17 and 36. Normally at initial recognition, the transaction price is the best evidence of fair value.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques those are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the Financial Statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Financial assets and financial liabilities that are recognized at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period.

Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Company recognizes a financial asset or financial liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

a) Financial Assets

A financial asset inter-alia includes any asset that is cash or contractual obligation to receive cash or another financial asset or to exchange financial asset or financial liability under condition that are potentially favourable to the Company.

Financial assets of the Company comprise trade receivable, cash and cash equivalents, Bank balances, other investments, loans to employees /others and security deposits.

Initial recognition and measurement

All financial assets except trade receivable are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are charged in the Statement of Profit And Loss. Where transaction price is not the measure of fair value and fair value is determined using a valuation method that uses data from observable market, the difference between transaction price and fair value is recognized in the Statement of Profit And Loss and in other cases spread over life of the financial instrument using effective interest.

The Company measures the trade receivables at their transaction price, if the trade receivables do not contain a significant financing component.

Subsequent measurement

For purposes of subsequent measurement financial assets are classified in three categories:

- Financial assets measured at amortized cost
- Financial assets at fair value through OCI
- Financial assets at fair value through profit or loss

Financial assets measured at amortized cost

Financial assets are measured at amortized cost if the financials asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These financials assets are amortized using the effective interest rate ('EIR') method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit And Loss. The losses arising from impairment are recognized in the Statement of Profit And Loss .

Financial assets at fair value through OCI ('FVTOCI')

Financial assets are measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. At initial recognition, an irrevocable election is made (on an instrument-by-instrument basis) to designate investments in equity instruments other than held for trading purpose at FVTOCI. Fair value changes are recognized in the other comprehensive income ('OCI'). However, the Company recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the Statement of Profit And Loss. On derecognition of the financial asset other than equity instruments designated as FVTOCI, cumulative gain or loss previously recognised in OCI is reclassified to the Statement of Profit And Loss.

Financial assets at fair value through profit or loss ('FVTPL')

Any financial asset that does not meet the criteria for classification as at amortized cost or as financial assets at fair value through other comprehensive income is classified as financial assets at fair value through profit or loss. Further, financial assets at fair value through profit or loss also include financial assets held for trading and financial assets designated upon initial recognition at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Financial assets at fair value through profit or loss are fair valued at each reporting date with all the changes recognized in the Statement of Profit And Loss.

Derecognition

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the financial asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay.

Impairment of financial assets

The Company assesses impairment based on expected credit loss ('ECL') model on the following:

- Financial assets that are measured at amortised cost; and
- Financial assets measured at FVTOCI.

ECL is measured through a loss allowance on a following basis:-

- The 12 month expected credit losses (expected credit losses that result from those default events on the financial instruments that are possible within 12 months after the reporting date)
- Full life time expected credit losses (expected credit losses that result from all possible default events over the life of financial instruments)

The Company follows 'simplified approach' for recognition of impairment on trade receivables or contract assets resulting from normal business transactions. The application of simplified approach does not require the Company to track changes in credit risk. However, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, from the date of initial recognition.

For recognition of impairment loss on other financial assets, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has increased significantly, lifetime ECL is provided. For assessing increase in credit risk and impairment loss, the Company assesses the credit risk characteristics on instrument-by-instrument basis.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls) discounted at the original EIR.

Impairment loss allowance (or reversal) recognized during the period is recognized as expense/income in the Statement of Profit And Loss.

b) Financial Liabilities

The Company's financial liabilities include loans And borrowings including bank overdraft, trade payable, accrued expenses and other payables etc.

Initial recognition and measurement

All financial liabilities at initial recognition are classified as financial liabilities at amortized cost or financial liabilities at fair value through profit or loss, as appropriate. All financial liabilities classified at amortized cost are recognized initially at fair value net of directly attributable transaction costs. Any difference between the proceeds (net of transaction costs) and the fair value at initial recognition is recognised in the Statement of Profit And Loss or in the CWIP, if another standard permits inclusion of such cost in the carrying amount of an asset over the period of the borrowings using the Effective interest rate ('EIR') method.

Subsequent measurement

The subsequent measurement of financial liabilities depends upon the classification as described below:-

Financial Liabilities classified as Amortised Cost

Financial Liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. Interest expense that is not capitalized as part of costs of assets is included as Finance costs in the Statement of Profit And Loss.

Financial Liabilities classified as Fair value through profit And loss (FVTPL)

Financial liabilities classified as FVTPL includes financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Financial liabilities designated upon initial recognition at FVTPL only if the criteria in Ind AS 109 is satisfied.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged / cancelled / expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit And Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Share capital

Ordinary shares are classified as equity.

Dividend Distribution to equity shareholders

The Company recognizes a liability to make cash distributions to equity holders when the distribution is authorized and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorized when it is approved by the shareholders. A corresponding amount is recognized directly in other equity along with any tax thereon.

Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is (or contains) a lease, if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Finance leases that transfer substantially all the risks and benefits incidental to ownership of the leased item (i.e. PPE), are generally capitalized at the inception of the lease at the fair value of the leased property or, if lower, at the present value of minimum lease payments. Lease payments are apportioned between finance charges and a reduction in lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized in finance costs in the Statement of Profit And Loss.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit And Loss over the period of lease on straight line basis other than those cases where the escalations are linked to expected general inflation in which case they are charged on contractual terms.

Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when there is a present legal or constructive obligation as a result of a past event and it is probable (i.e. more likely than not) that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management estimate of the amount required to settle the obligation at the balance sheet date. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance costs.

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist when a contract under which the unavoidable costs of meeting the obligations exceed the economic benefits expected to be received from it.

Contingent liabilities are disclosed on the basis of judgment of management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Contingent Assets are not recognized, however, disclosed in financial statement when inflow of economic benefits is probable.

Revenue Recognition and Other Income

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from sale of goods is recognized, when all significant risks and rewards are transferred to the buyer, as per the terms of the contracts and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. It includes excise duty and excludes value added tax/sales tax/Goods and Services Tax. It is measured at fair value of consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Revenue from sale of services is recognised when the activity is performed.

Export incentives are recognised as income of the year on accrual basis.

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

Sale of scrap is accounted for as and when the sale is completed and its collection is reasonably certain.

Interest income on financial assets as subsequently measured at amortized cost is recognised on a time-proportion basis using the EIR method. Interest income on impaired loans is recognised using the original effective interest rate.

When a receivable is impaired, the Company reduces the carrying amount to its recoverable amount, being the estimated future cash flows discounted at the original effective interest rate of the instrument, and continues unwinding the discount as interest income.

Depreciation and Amortization

Depreciation of PPE commences when the assets are ready for their intended use. Depreciation on PPE is recognised so as to write off the cost of assets less their residual values over their useful lives, using the straight-line method. PPE which are added / disposed off during the year, depreciation is provided on pro-rata basis from / up to the date on which the asset is available for use / disposal. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. Component of an item of PPE with the cost that is significant in relation to total cost of that item is depreciated separately if it's useful life differs from other components of the assets.

Depreciation on PPE is provided over the useful life of assets as specified in the Schedule II of the Companies Act 2013 to the extent of 95 percent except the following:-

Spares parts procured along with the Plant And Machinery or subsequently which are capitalized and added in the carrying amount of such item are depreciated over the residual useful life of the related Plant And Machinery.

Cost of software recognized as 'Intangible Assets' is amortized on straight line method over a period of five years. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on prospective basis.

Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Employee Benefits

Short-term Employees Benefits

All short term employees benefits such as salaries, wages, allowances, performance incentive, employee welfare costs, short term compensated absences, exgratia are recognised during the period in which the employee render services and are measured at undiscounted amount expected to be paid when the liabilities are settled.

Post-employment benefits

The Company provides the following post-employment benefits:

i) Defined benefit plans such as gratuity, leave encashment and

ii) Defined Contribution plans such as provident fund.

Defined benefits plans

The cost of providing defined benefit plans such as gratuity and leave encashment are determined on the basis of present value of defined benefits obligation which is computed using the projected unit credit method with independent actuarial valuation made at the end of each annual reporting period, which recognizes each period of service as given rise to additional unit of employees benefit entitlement and measuring each unit separately to build up the final obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit And Loss except those included in cost of assets as permitted.

Re-measurements comprising of actuarial gains and losses arising from experience adjustments and change in actuarial assumptions, the effect of change in assets ceiling (if applicable) and the return on plan asset (excluding net interest as defined above) are recognised in other comprehensive income (OCI) except those included in cost of assets as permitted in the period in which they occur. Re-measurements are not reclassified to the Statement of Profit And Loss in subsequent periods.

Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements) is recognised in the Statement of Profit And Loss except those included in cost of assets as permitted in the period in which they occur.

Defined Contribution Plans

Payments to defined contribution retirement benefit plans, viz., Provident Fund for eligible employees are recognized as an expense when employees have rendered the service entitling them to the contribution.

Income Taxes

Income tax expense represents the sum of tax currently payable and deferred tax. Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized directly in equity or in other comprehensive income.

Current tax

Current tax includes provision for Income Tax computed under Special provision (i.e., Minimum alternate tax) or normal provision of Income Tax Act. Tax on Income for the current year is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments/appeals.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences, unabsorbed losses and unabsorbed depreciation to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, unabsorbed losses and unabsorbed depreciation can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Minimum Alternate Tax(MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the company will pay normal income tax during the specified period.

Statement of Cash Flows and Cash and Cash Equivalents

Statement of cash flows is prepared in accordance with the indirect method prescribed in the relevant Accounting Standard. For the purpose of presentation in the Statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. However, Bank overdrafts are shown within borrowings in current liabilities in the balance sheet for the purpose of presentation.

Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

a) An asset is current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

b) A liability is current when:

- It is expected to be settled in the normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

c) Deferred tax assets and liabilities are classified as non-current assets and liabilities.

d) The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

D **Recent accounting pronouncements**

The Ministry of Corporate Affairs (MCA), on 28 March 2018, notified Ind AS 115, Revenue from Contracts with Customers and Appendix B to Ind AS 21, The Effects of Changes in Foreign Exchange Rates as part of the Companies (Indian Accounting Standards) Amendment Rules, 2018. These amendments will come into force from 1st April, 2018.

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration:

It clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, as when an entity has received or paid advance consideration in a foreign currency.

The Company has evaluated the effect of these amendments on the financial statement and the impact is not expected to be material.

B. Measurement of fair values

Valuation techniques and significant unobservable inputs

The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The Fair Value of financial assets included is the amount at which the instrument could be exchanged in a current transaction between willing parties. The following methods and assumptions were used to estimate the fair value.

1. The Fair values of Mutual Funds and Quoted Equities are based on NAV / Quoted Price at the reporting date.

2. Non current financial assets / liabilities measured at amortised cost - Discounted cash flow technique : The valuation model considers present value of expected payments discounted using an appropriate discounting rate.

vii) Amount, Timing and Uncertainty of Future Cash Flows			
a. Sensitivity Analysis			

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis is given below:

Particulars		Year Ended 31 March 2020	Year Ended 31 March 2019
Defined Benefit Obligation (Base)		510,458	420,117

Particulars	31 March 2020		31 March 2019	
	Decrease	Increase	Decrease	Increase
Discount Rate (- / + 0.5%)	493,216	528,976	434,658	406,550
(% change compared to base due to sensitivity)	-3.38%	3.63%	3.46%	-3.23%
Salary Growth Rate (- / + 0.5%)	528,817	493,199	406,448	434,637
(% change compared to base due to sensitivity)	3.60%	-3.38%	-3.25%	3.46%
Withdrawal Rate (- / + 10%)	509,183	511,773	420,269	419,948
(% change compared to base due to sensitivity)	-0.25%	0.26%	0.04%	-0.04%

Please note that the sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

There is no change in the method of valuation for the prior period. For change in assumptions please refer to section 5 above, where assumptions for prior period, if applicable, are given.
